

# FOUR-STROKE F250 BUILT-IN DES

Next generation features, next generation styling, original reliability.

Yamaha's all-new, V6 Offshore series takes the proven 4.2 litre engine platform to the next level by incorporating technological advancements previously only seen on Yamaha's flagship V8 425hp XT0.

The new F250 not only looks good with it's more aggressive styling, but comes with Yamaha's Thrust Enhancing Reverse Exhaust system, which delivers increased prop grip and thrust for improved maneuvering in docking situations and reversing up to your next big catch.

## ENGINE FEATURES

- vLarge V6 4.2 litre displacement to power large offshore boats.
- Plasma fused sleeveless cylinders for reduced weight.
- New eye catching shape and styling. Raised chrome decals.
- Built in Digital Electric Steering (DES).
- Thrust enhancing reverse exhaust.
- Enhanced lower unit for increased durability.
- New TotalTilt™ function for fast and easy tilt up or down.
- High output 70A alternator.
- Available in either **NEW** Pearlescent White or Signature Grey.
