

# FOUR-STROKE F30

Compact, Versatile Power

Delivering plenty of performance from the compact 747cc 3-cylinder, marine engine, the F30 offers exceptional versatility with both forward or tiller handle control options. The forward control option can be matched with digital gauges, including Yamaha's feature packed Command-Link system. While the optional Multi-Function Tiller Handle comes with trim, shift, and throttle controls, as well as 'start-in-gear' protection and warning horn alerts, all integrated into the ergonomic handle.

## ENGINE FEATURES

- 747cc three-cylinder engine.
- Compact and powerful design with exceptional fuel efficiency.
- Variable trolling for low speed lure fishing.
- Forward control or optional multi-function tiller.
- Exclusive YDC alloy for maximum corrosion protection.
- Freshwater flushing device for easy and quiet maintenance.
- Compatible with all of Yamaha's premium colour and digital gauges.
